

ARTURO DÍAZ JOINS RENTA CORPORACIÓN MANAGEMENT TEAM

- **Arturo Díaz, former managing Director of Hines España in Catalonia and CB Richard Ellis in Barcelona, has joined Renta Corporación as Business Development Manager.**
- **The new post has been created to boost activity in acquisitions and marketing of new assets.**

September 30th, 2009.- Renta Corporación has appointed Arturo Díaz as Business Development Manager to maximise operations in the purchase, transformation and sale of real estate assets. Renta Corporación created this post specifically to follow the company strategy on focussing on and creating new margins and generating new business. Renta Corporación positively values his 12 years involvement at the Head of some of the world's leading real estate companies, as well as his wide knowledge of the real estate market together with his proven skills in negotiation and wide experience in acquisitions.

Arturo Díaz holds a degree in Law and also a post graduate degree in Business Development from IESE Business School. He comes to Renta Corporación after 12 years experience as Managing Director of Hines España in Catalonia and CB Richard Ellis in Barcelona. His unique insight into team management and strategic development comes from his previous professional experience in a variety of business sectors prior to 1996.

Renta's post-crisis strategy to put the company back on a more secure footing has been to refinance and restructure the size of the group and focus of company operations. This latest key appointment will boost the volume of new acquisitions and guarantee an increased profit margin strengthening the company's core business.
