

Luis Guardia joins Renta Corporación as director of commercial assets

- Guardia, former CEO of JLL in Catalonia with more than 15 years of experience in the real estate market, will strengthen the company's commercial area
- Through his entry, Renta Corporación reinforces this division, which adds to the strong commitment already made by the residential sector by creating the Vivenio REIT

Barcelona, 19th December of 2017 – As of next January, Renta Corporación will incorporate Luis Guardia as the new director of commercial assets of the company, an appointment that reinforces this division and highlights the company's commitment to a sector of outstanding growth in recent years. This boost is in addition to the strong development that the residential area of Renta Corporación has experienced in recent months through different activities, among which the creation of the Vivenio REIT stands out.

Thus, Renta Corporación continues on a path of strong development for all of its business areas and boosts the team's capacity to comply with the current strategic plan. This master plan has led the real estate firm to consolidate a very positive trend for the results of recent years, closing the third quarter of this year with a net result of 10.3 million euros and plans to reach the figure of 20 million euros in 2020.

With more than 15 years of experience in the real estate market, Luis Guardia has been the General Director for Catalonia at JLL, a company specializing in real estate services and investment management, a position he assumed in April 2015 after having held other positions of responsibility within the firm.

He holds a Bachelor in Business Administration and Management from the University of Barcelona, a Master's Degree in Real Estate Management and a Master's Degree in Urban Planning, both from the Autonomous University of Barcelona.

"With this addition, Renta Corporación demonstrates its strong commitment to talent and enhances the strength of the team. We are very proud that Luis will join the company, where we wish him the greatest success", says David Vila, CEO of Renta Corporación.
